

| First name: | Surname: | What motivated you to put yourself forward for election to the Branch committee? | What qualities, skills and experience do you think you'll bring to the Branch committee? |
|-------------|------------|--|--|
| Anita | Lall | Involvement in the committee for 2 years so far - wish to continue my involvement | Women in Nuclear |
| David | Stephenson | I want to support and promote the project management profession through the APM as I feel it is still an understated and overlooked profession. Having the opportunity to do so in my local area, with likeminded people, (looking forward to meeting in person) is a fantastic opportunity. | I have sat on the committee for a year now and look forward to collaborating in person this year. I have over 5 years specific project management experience and over 12+ years project experience in some form a managerial position. I'm pragmatic and professional mixed with a desire for continuous learning/improvement. I love working with teams to create high performance, achieving something that cannot be done in isolation. |
| Kevin | Laverty | I have been a committee member for the last twelve months and wish to continue in this role | Long career in project management across a diverse range of industries including oil & gas, marine equipment, and superyacht construction & refit |
| Hugo | Minney | I have served on the North East committee for many years, organising and hosting events, providing support to major employers, and enjoying the company of the other active members. It's a great community, and I'll like to remain a part of it | Experience of the processes of APM and contacts with great speakers and businesses to arrange site visits, and specialist skills in benefits management |
| Glyn | Jenkins | I am a current member of the North East branch committee and wish to continue in the role | I have a broad range of skills based on my career in construction and project management. I have also further developed my skills and have been recognised as a chartered project professional |
